

**MAPLE VALLEY FIRE AND LIFE SAFETY
KING COUNTY FIRE PROTECTION DISTRICT #43**

RESOLUTION R – 2010-14

WHEREAS, the Board of Fire Commissioners of King County Fire Protection District #43 (the “Board”) has met and considered its budget for the calendar year 2011; and

WHEREAS, the Board, in the course of considering the budget for 2011 has reviewed all sources of revenue and examined all anticipated expenses and obligations; and

WHEREAS, the expenses of the District are primarily personnel costs, which are adjusted by the Consumer Price Index, rather than the Implicit Price Deflator; and

WHEREAS, the Board, after hearing and after duly considering all relevant evidence and testimony presented, has determined that King County Fire Protection District No. 43 requires a regular levy amount of \$7,024,686 which includes an increase in property tax revenue from the previous year, and amounts resulting from the addition of new construction and improvements to property and any increase in the value of state-assessed property, and amounts authorized by law as a result of any annexations that have occurred and refunds made, in order to discharge the expected expenses and obligations of the District and in its best interest; **NOW THEREFORE**,

WHEREAS, pursuant to RCW 84.52.125 it is the intent of the fire district commissioners to protect the district’s tax levy from prorationing under RCW 84.52.010(2), by imposing up to a total of twenty-five cents (\$0.25) per thousand dollars of assessed valuation of the tax levies authorized under RCW 52.16.140 and RCW 52.16.160, or either of them, outside of the five dollars and ninety cents per thousand dollars of valuation limitation established under RCW 84.52.043(2), if those taxes would otherwise be prorated under RCW 84.52.010(2)(e).

WHEREAS, pursuant to RCW 84.55.092, it is the further intent of the fire district commissioners to protect the fire district’s future levy capacity. Therefore, in any year in which the district reduces the regular tax levy below the amount of levy to which the district is entitled by law, consistent with existing voter authorizations and the limitations of the state constitution and statutes, it is the district’s intent to fully preserve future levy capacity as the aforesaid statute allows. The county assessor is therefore requested to set the regular property tax levy at the amount which would be allowed under RCW 84.55, as if the regular property tax for the district for taxes due in prior years (beginning with 1986) had been set for the full or maximum amount authorized under the law.

BE IT RESOLVED BY THE BOARD OF FIRE COMMISSIONERS of King County Fire Protection District No. 43 as follows:

1. The preliminary budget attached is hereby adopted as the budget of King County Fire Protection District No. 43 for the calendar year 2011.

This increase is exclusive of additional revenue resulting from the addition of new construction and improvements to property and any increase in the value of state assessed

property, and any additional amounts resulting from any annexations that have occurred and refunds made.

3.
