

MAPLE VALLEY FIRE & LIFE SAFETY

23775 SE 264th Street, Maple Valley, Washington 98038 / (425) 432-0200

YOU MAKE THE DIFFERENCE...MINUTES MEAN LIFE!

Did you know that during a medical emergency, minutes and sometimes-even seconds could make the difference between life and death? The sooner you begin emergency care, the greater the chance you have to save a life. Time is so crucial during some medical emergencies that the first medically trained person on the scene often determines the outcome. It isn't the police or fire department that arrives first...IT'S YOU!

2011

Registration is required and
payment must be received prior to class
